

Dear Parents,

Welcome back to Blessings of Life! It has been quite a break from daycare. This week we have been working on how to implement the new restrictions/recommendations from the Platte County Health Department in preparation for the reopening.

We will be opening on May 11, 2020, from 8:00am – 4:00pm.

We will have the shortened hours for at least two weeks. This decision is based on attendance and staffing and implementing the new recommendations and restrictions from the Platte County Health Department.

NEW POLICIES/PRACTICES:

Drop off/Pick Up: Please plan extra time at drop off as we will be conducting temperature checks of each child.

Health: Per CDC guidelines, persons/children who have a fever of 100°F or above or other signs of illness should not be admitted to the facility. Please be on the alert for signs of illness in your children and keep them home when they are sick.

Payments: Payments are due by Thursday the week before services are provided for childcare.

If you are choosing to keep your child(ren) home but would like to maintain their spot at the daycare, you need to pay ½ of your contracted rate. Your payments can be dropped off between 8:00am – 4:00pm OR mailed to: Blessings of Life, PO Box 175, Edgerton, MO 64444.

Social Distancing: We will be practicing social distancing by limiting the number of students in each classroom to 10 and by maintaining stable groups in each class. Children will not be able to mix with other classes and workers will remain solely with one group of children.

Meals/snacks: Children will no longer eat in a common area but will be served in their classroom. A morning snack, lunch and afternoon snack will be served.

Frequent handwashing will be practiced for the protection of your children and our staff.

We will also be planning to have fun! We have missed your children and look forward to seeing them!

If you have any questions or concerns, please feel free to email me at sharon.denney@mzlife.org or call 816-694-5024.

Thank you!

Sharon Denney
Director
